Dear Mr. Sweet:

We recently tried to get City of Gearhart permission to cut down the scotch broom in front of our house on Ocean Ave. Permission was not given because of an ordinance/regulation restricting removal of only the top half and that is pretty tricky to do according to the owner of the company who we were hoping to hire.

Because the scotch broom is a noxious weed it seems logical to cut it all the way down instead of half way down. We are supportive of the City of Gearhart removing this outdated regulation to allow scotch broom to be removed from in front of our house and others.

Sincerely,
