RE: Planning Commission, August 2018

The Gearhart Planning Commission met on August 9, 2018 at 6 pm. Commissioners Anderson, Dudley, Dideum, Graff and Smith were present. Commissioner Taggard was excused. Commissioner Davis was absent. Carole Connell was present for staff.

Carole informed the commission that a public hearing on the Palmberg application for a zoning map amendment would be held at the September meeting. Documents prepared for Palmberg Paving Co. by Otak, Inc. were given to each of the commissioners.

As there were no public hearings and old or new business, the meeting was adjourned at 6:05 pm.

The Planning Commission meeting was followed by the commission members meeting to discuss the Gearhart Tsunami Resilience Project. Geologist Tom Horning presented information to the commission.

Sincerely,

A handwritten signature in black ink, appearing to read "Virginia A. Dideum". The signature is fluid and cursive, with the first name being the most prominent.

Virginia A. Dideum

President, Gearhart Planning Commission
