RE: Planning Commission, November 2018

The Gearhart Planning Commission met on November 8, 2018 at 6 pm. All commissioners were present. Carole Connell was present for staff.

Carole informed the commission about the Comprehensive Housing Study open house and the denial by the City Council of the zoning change request from Palmberg Paving Co. Carole will not be at the December and January Planning Commission meetings. It was decided that the Commercial Design Review Sub-Committee would meet at Gearhart City Hall December 13th at 6 pm. This meeting will be advertised to the public. The Planning Commission will meet January 10th if the sub-committee has information to be presented. Four commissioners will attend a planning commission training session to be held November 29th in Astoria. A public meeting to present the Tsunami Resilience Plan will be probably be held in February or March.

There was no unfinished business or new business.

The meeting was adjourned at 6:29 pm.

Following the meeting a Tsunami Resilience Plan work session was held.

Sincerely,

A handwritten signature in cursive script that reads "Virginia A. Dideum".

Virginia A. Dideum

President, Gearhart Planning Commission
