RE: Planning Commission, January 2019

The Gearhart Planning Commission met on January 10, 2019 at 6 pm. All commissioners were present.

Election of officers was held. Virginia Dideum was re-elected President and David Smith was re-elected Vice-President. Information about the Planning Commission Training Session that was held in November and attended by three commissioners was shared. David led a discussion on Commercial Design Review Standards. It was agreed to move this to a Priority One item on the Planning Commission Goals list. David will invite officials from Cannon Beach to speak at the February Planning Commission meeting to share thoughts about managing resort-oriented communities and, specifically, commercial design standards in these communities. The Planning Commission requested a joint work session with the City Council to discuss and share ideas about the Goals List and the C zone ordinances.

There was no unfinished business or new business.

The meeting was adjourned at 6:49 pm.

Sincerely,

A handwritten signature in dark ink, reading "Virginia A. Dideum". The signature is fluid and cursive, with the first name being the most prominent.

Virginia A. Dideum

President, Gearhart Planning Commission President
