

Staff Report

For City Council Meeting - 8/3/2022

Subject - New Business - Metal Detector Purchase

Synopsis: Attached is the metal detector and hand-held wand staff has selected for purchase should the Council approve Resolution #974. Multiple informal quotes were obtained from a variety of sources. As the amount is under \$5,000, no official request for funds from Council is required. The purpose of this agenda item is to keep Council informed and allow for further discussion, if needed.

Recommended Motion: N/A

Legal Analysis: Processes will need to be put in place for when/if the detector is set off. Gearhart Police will be instrumental in the implementation of processes, especially the use of the included handheld detector. Some processes are already defined in Resolution #974.

Financial Analysis: Under current procurement rules, staff was able to obtain informal quotes and will purchase the equipment depending on the Council's decision on Resolution #974.

Respectfully Submitted,

Chad
