Hello councilors and mayor! Wally Hamer here! I contacted you guys a few months ago concerning pickle ball courts in Gearhart! I gave you guys a written proposal! Grants are open from the state of Oregon in January! I'm fearful that time will pass and nothing will get done! It's disheartening to me that no one has ever contacted me back about this issue! Thinking you may have wanted to wait until after the election but I guess it's been hard to communicate with me about the direction of this issue and what the expectation is from the city government! I need help in understanding what's happening? Should I come to city council meeting, should I let it go, just need direction? Thanks for your help! Wally Hamer 503-758-4827
