

CITY OF  
GEARHART

**Staff Report**

For City Council Meeting - 3/1/2023

***Subject - New Business - Emergency Operations Plan (EOP) Adoption***

**Synopsis:** The City Council reviewed and discussed the City's Emergency Operations Plan (EOP) update at a worksession held last, and again on January 31. This update is required per the City's Hazard Mitigation Plan, and was paid for through an OEM grant program. Comments from both sessions have been implemented where possible within this final draft.

**Recommended Motion:** Like the SRAMP, no resolution or ordinance is necessary. A simple motion to adopt the City's updated Emergency Operations Plan by a member of Council is all that is needed.

**Legal Analysis:** The plan was last updated in 2009.

**Financial Analysis:** The City worked with Stantec on the update, which was done jointly with the City of Warrenton through grant funds the County obtained on the City's behalf through the State Homeland Security Program (SHSP) FY2018. The grant was for \$15,000.

Respectfully Submitted,

Chad
