

Staff Report

For City Council Meeting 03/01/2017

Subject - Gearhart Clean Up Day

Synopsis: City staff is requesting permission to hold the Gearhart Earth Day Free Community Cleanup event, April 22, 2017. As in the past staff proposes that Recology deliver (4) 20 yard drop boxes for trash and (1) 3 yard drop box for electronics recycling to the area in front of City Hall. The boxes would be available to the residents of Gearhart to dump trash at no cost from 8:00 a.m. to 11:00 a.m. In 2016 the city collected approximately 18,000 pounds of garbage.

Council Options: The Council has the following options regarding this issue.

- 1) Council resolves to allow Gearhart Clean Up Day.
- 2) Take other action desired by the Council.

Recommendation: Staff recommends councilors resolve to allow the city to hold the clean up day to reduce the amount of trash in the City.

Legal Analysis: None

Financial Analysis: The estimate for the dump day is \$923 after Recology's donated discount of \$958.42. The City will provide one employee to monitor the dump boxes and assist residents.

Respectfully submitted,

A handwritten signature in black ink, appearing to be the name "Chad", written in a cursive style.
