Re: Check No. 29614

Dear City of Gearhart,

On behalf of the Board of Directors, thank you so much for your Grant Donation of \$3,000.00 to the Clatsop CASA Program! Your generosity makes it possible for us to support our CASA volunteers in their work to make a difference in a child's life.

Evidence shows that children in foster care do better with a CASA than children without a CASA. They have shorter stays in foster care, fewer foster care placements, and have less involvement in the delinquency system. The advocacy provided by a CASA can also help to disrupt intergenerational cycles of family violence, illegal drug use, and dysfunctional relationships that are often part of the lives of the children we serve.

We rely on generous community members like you to provide CASA advocacy to the children who need it. Thank you again for your support!

Sincerely,

Nakesha Womble

Dear Mayor Cochran and City Council Members:

The Trail's End Board of Directors sends a sincere thank you for the generous grant towards our building roof the 2021-2 fiscal year. We are moving forward and hope to have the project done in late fall or early spring at the latest. The funding you provided means replacement before anything serious happens.

We did not know about the award at the time of our 70th Annual Judged Show this month or we would have made the announcement to the community members attending then. But Mayor Paulina represented Gearhart well by presenting an announcement of the Mayor's Award.

This year's President Richard Newman and the entire Board has put acknowledgements in our minutes on our website.trailsendart.org and our Newsletter. Thank you again.

Sincerely,

Kathleen Paino

Good morning Krysti,

Thank you for the very informative blog posting about the fire yesterday. We know our GVFD do a amazing job for Gearhart and we are so grateful for this, their courage and skills, at stamping out fires plus keeping all of us safe whatever comes up for them. It's remarkable and I wonder if people realize what an invaluable asset they are to our community. We certainly do.

Gratitude also for the other area fire units in our county for their very mportant assist yesterday and at whatever turn they are needed. Everything is so dry right now and it's just downright scary.

It's helpful for us to know about these situations and, again, thank you for keeping us informed.

Please forward this email to Interim Fire Chief Josh Como. We are so glad and proud to have him serve our community in this capacity and are hopeful he will be hired as the new Chief. He and his family members have served Gearhart well as members of the GVFD for many years.

Thanks again.

Best and with gratitude,

Jeanne and Wilson Mark

I would like to encourage the City of Gearhart not to put a ban on the legal fireworks. I understand the need to keep everyone safe and reduce fire risks, however, those are caused by the illegal fireworks that are generally set off by tourists. The local families enjoy the legal fireworks and tradition of celebrating the 4th of July. Please consider keeping things as they are for the community.

Thank you,

Maryann Smith
