Question/Comment
Gearhart City Council

It has been a tough few years here in Gearhart/

I would like to say thank you to our city Manager Chad Sweet and all the office people who work so hard to keep things going.

Our ex mayor Paulina Cockrum and now our new mayor Kerry Smith, City Council, and our Planning Commission that has worked so hard to keep Gearhart for what it is, and all this without getting paid. I may not agree with city council and planning commission on everything but it would be pretty boring world if we all agreed on everything.

The police dept. for upholding our laws. And for our monthly reports....Good job!

City maintenance workers for everything they do to keep our city looking good.

Water dept, Thank you for keeping that building looking good, keeping a clean public restroom, fixing water lines, and water meters and everything else you do.

Fire dept, A great big shout out for the retired chief Bill Eddie and now our new fire chief Josh Como and all the fire dept volunteers, for everything they do for the residents of Gearhart plus the part timers and the people driving by. Also going all over our state and out of state to help out when it is needed. Thank you for your monthly reports.

Our city and the whole area is growing so fast, in turn our fire dept works harder and goes on more calls. All the hours of training they have to go through every year.

Most of all the help they gave me January 17 of 2018 and a few times since than, I don't believe I would be here without our fire dept.

THANK YOU!
