

Rather than fill out the paper survey, please do the survey online at:
<https://www.surveymonkey.com/r/GearhartParks>

The City of Gearhart and the Parks Master Plan Committee is requesting input from Gearhart and outside residents regarding how park properties are currently used and how improvements could better address the community's needs and desires. The survey has two benefits: 1) providing guidance to the Parks Master Plan Committee and staff in developing a Parks Master Plan and identifying long-term and short-term projects for the park properties, and 2) to better position the City to seek grant funding to assist with project completion. Your assistance by completing the survey will be greatly appreciated. ONE survey per household, please. We require an address to validate surveys.

If you prefer the paper survey, please send it to City of Gearhart at PO Box 2510, Gearhart, Oregon 97138

Or, you can drop the survey off at the city hall drop box near the front door on the building.

Please complete by March 1st, 2021.
